Fields may be limited. Entry fees must be paid in full at the date designated by the tournament director. No exceptions to this rule.
2. **Teams/Partner Pairings:** Teams will consist of 2 members who will be randomly selected by a drawing of a boater and nonboater. The results of the draw are final and will only be adjusted in the event of one member cancelling. In this case the Tournament director will make an attempt to replace the team member that has dropped out. Only the Tournament Director is permitted to make changes to the team pairings in the event of a cancellation. In the event there are non-boaters who put their name in the draw but ultimately were not able to fish due to an inadequate supply of boaters, that non-boater will be guaranteed a spot in the next club tournament.
3. **Team Members No-Show:** In the event the boater does not show up on the day of the event, the non boater will receive their entry fee plus the boaters as compensation. In the event that the non-boater does not show up then the boater will be given the option to fish by themselves or receive a refund including the non boater's entry fee. Should a boater elect to fish on their own then they shall wear a life jacket at all times. The club will have an inflatable life jacket available for the boaters use.

If you are caught with more than your allowable limit, your fish will be culled down to the limit starting with your largest fish.

24. Qualifying Tournament Format: Each angler in the boat fishes individually for the purpose of determining the angler of the year points, and cash payouts for each tournament. Tournament rankings are based on the total 4 fish weight per angler. Cash prizes are to be divided into separate non-boater and boater rankings (i.e. non-boater 1st place, 2nd place, 3rd place, etc. AND boater 1st place, 2nd place, 3rd place, etc.). The total cash purse for the day will be split 50/50 among the non-boater and boater categories. Fish culling between competitors is prohibited.

25. Angler of the year Scoring & Tie breaks: Scoring for the angler of the year title shall be based on the club approved points system (attached). Rankings will be determined by total points accrued for each angler's best 5 tournaments. The prize for Angler of the Year will be determined by the club membership, as club finances permit, prior to the commencement of the tournament season. Angler of the year points are based on each anglers' total 4 fish weight. There is only one angler of the year list, it does not distinguish between non-boaters and boaters.

26. Non-boaters Share of Boater's expenses: Non-boaters are required to pay \$50 to the boater for each tournament; for the purpose of assisting with the boater's operating expenses for the day.
